DRINKING WATER SCHEMES AND PROJECTS
Yadav Shri Giridhari

Will the Minister of RURAL DEVELOPMENT be pleased to state:

(a) the details of schemes being run in each State for supply of drinking water;

(b) the funds provided under each scheme during the last three years and current year indicating the share of Union and the State Government, State-wise; and

(c) the number of projects completed under these schemes as per schedule and the number of projects still being implemented, State-wise and scheme-wise?

Answer

MINISTER OF STATE IN THE MINISTRY OF RURAL DEVELOPMENT (SHRI CHANDRA SEKHAR SAHU)

(a) Drinking Water is a State subject and as such State Governments are primarily responsible to provide drinking water to the rural habitations. To supplement the efforts of the State Governments in this direction, financial assistance and technical support is rendered to the State Governments through Centrally Sponsored Schemes namely Accelerated Rural Water Supply Programme (ARWSP) and Swajaldhara.

(b) Tabular statements for ARWSP funds provided by the Centre and the States are given as Annexure 1 and 2 respectively. A separate statement as annexure 3 shows provisions by Centre under Swajaldhara scheme, which has no State contribution.

(c) Under ARWSP, funds are not released to the States project-wise, hence project-wise details are not maintained at the Central level. Under Swajaldhara scheme, the State-wise details about the no. of projects completed and ongoing are annexed at Annexure - 4.
